

ONE DECK MOVES EVERYTHING

Presentations decide trust

Deals

Fundraises

Internal buy-in

THE BOTTLENECK

Decks take too long

Teams lose days

Ideas are fast

Polished slides are not

Rough thinking to
presentable

Gap is widening

High-stakes expectations

Manual creation speed

Better deck, slower process

MODERN WORKFLOW ACCELERATION

AI compresses the bottleneck

From blank page to creation in one guided flow.

Blank page to creation

One guided workflow

Structure, wording, design

Handled together

Rough input in
Minutes, not days

**Investor-
ready
slides out**

SAVES TIME • RAISES QUALITY • IMPROVES
CONSISTENCY

Time down. Quality up.

| Draft-to-deck: minutes

| Every slide aligned

| More decks, less rework

MODERN

A new standard

Default way teams present

AI first draft

Not a feature

Modern teams expect AI
